On behalf of all of us at Woodlawn Community School, I would like to welcome you to our community. The Woodlawn Community School have distinguished history of facilitating our children’s knowledge and understanding of self, who they are, what they are about, and the purpose and meaning for their existence as they progress through life. We are proud of our students. They continue to achieve at high levels and make significant contributions to our community. Just as important as academic excellence, a heavy emphasis is placed on civility, citizenship and character development.

It is our intent to deliver the very best instructional program possible to our students. We exemplify the goals and priorities set forth by Chicago Public Schools. We offer a full-day pre-kindergarten program. Kindergarten through sixth grade students experience a full and rich academic and extracurricular program. Our counselor is available to guide students through social and emotional learning and assist our sixth-grade students with applying for seventh grade schools that will meet their individual needs and interests.

The staff of Woodlawn Community School is committed to excellence. We are recognized as an African-Centered school, with the focus being uplifting and empowering out students and community. We know that strong parental and community support enhances the quality of education at Woodlawn. We hope you come to meetings often. We also invite you to meet with us, talk to us, join the PAC (Parent Advisory Council) and volunteer your time and energy.

Thank you for your interest in our school. Please join us as we work together to create a bright and successful future for all of our students. Feel free to call me at the number above if you have any questions, concerns, or suggestions.
